

SAVE THE DATE!

Plan to attend the biannual meeting of the Invasive Learning Network

held in conjunction with the Central U.S. Division Science, Stewardship and Conservation Conference

Tuesday, February 16th, 2016
Lady Bird Johnson Wildflower Center in Austin, Texas

Learn about TNC's commitment and actions on invasive species

Who should attend? TNC staff from all levels of the organization; field crews, managers, GR, and more.

What will be covered? Topics are being explored and attendees are welcome to recommend speakers and seminars. Current ideas include: local perspectives, working with regional invasive councils, best practices, national and regional policy developments, and many others.

What is the full proposed schedule?

Primary Day, Tuesday the 16th

9am-Noon: Optional tour of the Lady Bird Johnson Wildflower Center

Noon: Registration and Networking Lunch

1pm-5pm: Seminars with Learning Network Participants

6pm Onward: Group Dinner at Local Restaurant

Additional Events and Invasive Species Sessions: to be held throughout the Central U.S. Division Science, Stewardship and Conservation Conference

Fees, Logistics, and details: There will be a modest (separate) fee covering Tuesday's Invasive Learning Network meeting expenses. Shuttles and/or carpools will be available. More information to come.

Contact **Ellen Jacquart** (ejacquart@tnc.org) or **Leigh Greenwood** (lgreenwood@tnc.org) if you have any particular questions at this time, or if you wish to propose a seminar topic.

**Join us for the entire Central US Division Science, Stewardship, and Conservation Conference,
Feb. 15th – 19th 2016 in Austin, Texas**
